

A simplified site plan of a residential area. The background is yellow, representing buildings, with several black rectangles indicating window placements. A grey area on the left is labeled 'koulu' (school). A larger grey area on the right is labeled 'päiväkoti' (day care). A large grey area in the center is a parking lot with white diagonal lines. A green area on the right is labeled 'leikkipuisto' (playground). A green path or road runs through the center, connecting the school and day care areas. Dotted lines outline the playground area.
